

LOPPER - BAHCO WORKHORSE, 80CM

BAHCO Heavy Duty Bypass Lopper 80cm: BAP280SL80

The P280-SL80 is a large, sturdy and rugged lopper by BAHCO. Cutting capacity of 55mm. Made in France.

A very popular 'workhorse' heavy duty bypass lopping shear with an impressive cutting capacity of 55mm. All parts are replaceable.

- Fully-hardened steel blades with Xylan® coating for less friction
- Cutting head with sliding lever action for 40% more force and a large cutting capacity of 40mm
- Lightweight aluminium handles for long reach
- Spare/replacement parts available
- Rubber shock absorbers for less fatigue and increased comfort
- Lightweight strong and long aluminium handles for easy reach and overhead cutting
- Heavy-duty Xylan® anti-friction coated blade for easier cutting of branches
- Length: 80cm, weight: 1318g, cutting capacity: 55mm
- Made in France

Replacement blades and other spare parts available.
